DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This rowhouse is three stories high and two bays wide. It is laid in common bond.

The first story is an old storefront. The door, on the left, has a transom overhead (now blocked). On the right is a projecture containing one large and two small flanking sheet glass windows. A bi-partite transom appears overhead. A cornice above completes the storefront.

Upper story windows are double hung 1/1 with wooden sills. Second story windows have flat-arched splayed brick lintels; third story windows have no lintels. Below the braces of the bracketed roof cornice is a blank "frieze" of wood topped by a row of jigsaw decoration, also wood.
